Mike,

Yes, that would be great. I can drive there. Should I call you when I am about 5 minutes away?

Lizeth,

The bags are pretty heavy so are you coming in a car? I can meet you on the curb in front of our building and help load them into the car.

Let me know your plan.

Lizeth,

I'll have the 45 bags here in my office on Tuesday morning. Just let me know who and when someone will be coming to pick them up.

Mike,

It was great talking with you again and thank you for your help. On a separate note, I wanted to reach out because our office is co-hosting a Southern California District Director Network Meeting & Luncheon on Wednesday, August 29. The Southern California District Director Network (DDN) is a professional support network for all Democratic Caucus District Directors in the greater Southern California region. This is an opportunity for us to showcase our district and I was wondering if the DCBID would be able to provide some tote bags and or giveaways for those in attendance. We are expecting about 45 people to attend. I can definitely arrange for someone to pick the items up on Monday, August 27th or Tuesday, August 28th.

Thank you in advance for your consideration of this request and please let me know if you have any questions or need any additional information.

Best,
